Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450Letter in Support of Consideration of Request For Withdrawal

Sir:

The undersigned Attorney has submitted two previous Requests For Withdrawal as Attorneys of Record, both of which were not approved for technical points. It is submitted that the Request accompanying this Letter is finally correct. The latest filed Request was not approved because it was written in terms of the Assignee of the application based on the mis-assumption by the undersigned that there was an assignment document in the parent case.

The Office Action in this application was mailed June 15, 2005, therefore, the end of the six month Statutory Period for Response is December 15, 2005 and this Request is being filed at thirty one (31) days from the end of that period. However, the first Request filed June 30, 2005 was mis-managed with the Patent & Trademark Office and was only acted upon after the undersigned attorney made a series of telephone calls over a month. The decision on the Request submitted June 30, 2005 was mailed on September 30, 2005. Regardless of the error in the stated reason for withdrawal in the Request, it was otherwise in proper form and, it is submitted, the undersigned attorney should not be penalized for an unreasonable delay in the Office for which he was not responsible.

Serial No. 09/825,141  
Art Unit 3626

It is respectfully submitted that the equities of these circumstances require granting of the attached Request. There would have been ample time to have considered the Request had the original Request not been mis-categorized when it was received in the Office, and effectively lost until the undersigned attorney made a series of inquiries over a period of a month. There should also be considered that the Applicant in the subject application, Dr. Thomas L. Kapp, was provided with copies of the Office Action and citations on June 30, 2005 and was informed that the attorneys associated with customer No. 26345 would take no action in response thereto, that he would have to seek other counsel or reply to the Office Action pro se, and that a Request For Withdrawal was being submitted in this application. According to PAIR, Dr. Kapp has taken no action in response to the Office Action and it is not anticipated that he will do so. Dr. Kapp was informed that failure to respond by December 15, 2005 would result in the application becoming abandoned.

Favorable and prompt consideration of the attached Request is respectfully requested. Please address all future correspondence to Intellectual Property Docket Administrator, Gibbons, Del Deo, Dolan, Griffinger & Vecchione, One Riverfront Plaza, Newark, NJ 07102-5496. Telephone calls should be made to R. Hain Swope at (973) 596-4905.

Respectfully submitted,
